Test Results Policy

In our effort to go green, we will not be mailing copies of lab and test results to you as we have done in the past. We will send them via the internet to the email address that you give us. Instructions and/or comments will be attached to the file. The email that you receive from us will be from yourtestresults@drpezzia.com. Please adjust the security settings on your computer to allow for this transmission. You will not be able to respond to this email, it is for your information only.

We prefer to email the results to you, but if that is not possible, we will be happy to give you a copy of your results on your next visit to the office. If you would still like the results mailed, please provide us with a self addressed stamped envelope.

I have read the above policy and give Willy Pezzia, M.D.P.A. & Associates permission to send information to my email account.
