TEST RESULTS POLICY

In our effort to go green, we will no longer be mailing out copies of your lab and test results to you as we have done in the past. We will be posting them to the patient portal/Healow app via our website, www.drpezzia.com (under patient login). The providers will make any comments regarding your results and any instructions will also be on the bottom of your results. The email you will receive from us will be from WPezziaMD. Please adjust the security settings on your computer to allow for this transmission. If you haven't downloaded the app via your smart phone please do so, our office code for the Healow mobile app is **DBEEAA.**

We prefer to post your results to the patient portal so you will have access to your medical records 24/7, but if that is not possible, we will be happy to give you a copy of your results on your next office visit. If you would still like the results mailed, please provide us with a self-addressed stamped envelope.

I have read the above policy and give Willy Pezzia, M.D., P.A. & Associates permission to send information to my account.
